INTRODUCE RATIOS FOR VICTORIA'S MENTAL HEALTH NURSES

Campaign created by ANMF (Vic Branch)

TO: STATE GOVERNMENT OF VICTORIA

Mental health nurses ensure Victorians living with mental illness progress through all stages of recovery. They save lives.

Victoria's public sector mental health nurses are currently taking protected action to see the introduction of nursing ratios in mental health and close the wages gap with their general nursing colleagues. Nursing ratios in mental health will improve patient care through consistent staffing. Safe staffing levels in nursing have worked so well, they are now law in Victoria – but these laws exclude mental health care facilities. It's time ratios applied equally across all mental health wards, units and stand-alone inpatient facilities.

It's now time to lock in an improved level of mental health care by gaining quality care through consistent staffing.

Why is this important?

2. Status of mental health EBA negotiations and backpay

ANMF, HACSU, VHIA and DHHS were involved in further negotiations today. While we have 10 in-principle agreed matters, progress on many other claims is limited. ANMF does not want to jeopardise the backpay commencement date of 1 April and has articulated during negotiations that we remain available day and night, seven days a week to negotiate and resolve this agreement. Further negotiations between ANMF, HACSU, VHIA and DHHS will take place on Thursday 9 June, Wednesday 15 June and Thursday 16 June.

We maintain the view of our members that mental health nurses also deserve an improved agreement with wages comparable to the general public sector nurses and midwives. Mental health nurses also deserve improved workload provisions, including the implementation of nursing ratios and maintenance of mental health nurses within community settings.

7. Spread the red – get involved to ensure our communities can access mental health nurses

Update your social media profile pic and share our posts and your pics. Participating Area Mental Health Services (wards, units and community teams) have been awash with red since Thursday 19 May sending a strong message to employers that fair pay and safe workloads are critical issues for mental health nurses.

ANMF encourages members, including those employed at facilities unable to take protected industrial action, to get active on social media.

Visit the ANMF Facebook page at www.facebook.com/RespectOurWork and look through our album of campaign profile and banner images you can use on your Facebook and Twitter accounts. Share your red T-shirt imagery online using the hashtags **#ValueRecogniseReward**, **#MHRatios**, **#RewardMHNurses** for Twitter and Instagram. You can also post your photos to the ANMF Facebook page, or tag us on Twitter **@ANMFVicBranch**

If you are not seeing ANMF's Facebook posts, change your settings to 'see first' and please share ANMF posts about the action and the issues that are important to you.

8. Campaign T-shirts and information

Red **#ValueRecogniseReward** campaign T-shirts are available for members at ANMF House (540 Elizabeth Street, Melbourne) between 8.45am and 5pm on weekdays or online at <http://anfvc.myshopify.com>

Most Victorian nurses and midwives are already ANMF members – if you haven't joined yet or you know someone who hasn't, please encourage them to join. Non-members can join online here: <https://members.anmfvic.asn.au/CalculateRate>

If you don't have a Job Rep on your ward, unit or community team, it's time to put up your hand and help your union and your colleagues achieve your claims for 2016. Speak to another ANMF Job Rep or call ANMF Reception on (03) 9275 9333 and a Job Rep Pack will be sent out to you. ANMF will keep you updated via further campaign updates, our website, emails and text messages where appropriate.
