

Campaign update #31 public sector mental health enterprise agreement

WEDNESDAY 14 SEPTEMBER 2016

1. Status of mental health EBA negotiations

We are pleased to report that since update #30, a further five negotiation meetings have occurred inclusive of daily negotiations on Wednesday 7 September, Thursday 8 September, Friday 9 September and Monday 12 September between ANMF, HACSU, Victorian Hospitals' Industrial Association and the Department of Health and Human Services. Significant progress has been made on all key critical ANMF member claims. Confirmation in writing is currently being sought to present to members at a statewide meeting.

2. Next statewide members meeting - Wednesday 21 September

It is critical that as many ANMF members working in public mental health attend the next meeting as we believe that a settlement offer will be available for members to consider. This will be a **PAID meeting**. Please ensure you download and distribute these meeting notices and please register your attendance here: <https://goo.gl/MvsdQn>
