Employer response to protected industrial action

The Victorian Hospitals' Industrial Association (VHIA) has issued a bulletin to all of the chief executive officers of the employers who have received the notice from the ANMF advising of the commencement of the limited protected industrial action.

The bulletin from VHIA includes the following information for the employers:

"It is important to understand that the wearing of such t-shirts is an approved and therefore protected action, that is immune from any form of redress, penalty or other sanction. For the avoidance of doubt, the protected wearing of such clothing does not give rise to any form of pay docking."

How to buy a campaign T-shirt

Workplaces are awash with the red #ValueRecogniseReward campaign T-shirts, polos and scrubs. A new shipment of T-shirts has arrived at ANMF. If you need more please contact your ANMF organiser or job rep or visit ANMF House (540 Elizabeth Street, Melbourne) between 8.45am and 5pm. ANMF will not be selling the T-shirts online as they will not reach members before the statewide meeting on Thursday 5 May. You will also be able to buy the T-shirts and scrubs at the statewide meeting.
