

Public sector enterprise agreement: campaign update #10

27 APRIL 2016

1. Status of EBA negotiations

Members are advised that negotiations continued on Wednesday 27 April 2016 with representatives from the Victorian Hospitals' Industrial Association (VHIA) and the Department of Health and Human Services (DHHS). Negotiations with senior Victorian Government representatives that commenced on Friday 22 April 2016 will resume on Thursday 28 April 2016.

It is important that members understand that there are concurrent negotiations being undertaken – firstly, with the VHIA and DHHS representatives and, secondly, with senior government representatives.

The matters being negotiated are inextricably linked, however they require consideration by the most appropriate representatives from the Victorian Government, VHIA and DHHS.

2. ANMF member engagement – workplace visits – members meetings

This will continue until 5 May 2016 when the next statewide members meeting is scheduled at 2pm at the Melbourne Convention and Exhibition Centre. 3. Notice to commence protected industrial action

ANMF (Vic Branch) Secretary, Lisa Fitzpatrick, determined that the notice to commence the **limited** protected industrial action was a necessary step to ensure that the Victorian Government, VHIA and the employers understood ANMF members' level of commitment in achieving an appropriate EBA outcome.

On Friday 22 and Saturday 23 April 2016, the ANMF issued notices to all employers where the protected industrial ballot had been declared by the Australian Electoral Commission, **and** where the ballot outcome supported the taking of protected industrial action.

The notices were issued pursuant to Section 414 of the *Fair Work Act 2009* and authorise the commencement at **7am on Friday 29 April 2016** of the following protected industrial action:

Delaying or restricting the performance of normal duties through industrial action in the form of a ban on the Employer's uniform policy or dress code, for the purpose of engaging with media, staff, patients, visitors, residents and their families about the proposed agreement with Employees wearing and distributing and posting union campaign materials, such as t-shirts, badges, written communications and stickers in support of the proposed enterprise agreement

The Victorian Hospitals' Industrial Association (VHIA) has issued a bulletin to all of the chief executive officers of the employers who have received the notice from the ANMF advising of the commencement of the limited protected industrial action.

The bulletin from VHIA includes the following information for the employers:

"It is important to understand that the wearing of such t-shirts is an approved and therefore protected action, that is immune from any form of redress, penalty or other sanction. For the avoidance of doubt, the protected wearing of such clothing does not give rise to any form of pay docking."

Members can buy the \$10 ANMF (Vic Branch) EBA 2016 red T-shirt at their formal workplace members meeting or by visiting reception at ANMF House (540 Elizabeth Street, Melbourne), Monday to Friday between 8.45am and 5pm. T-shirts can also be purchased **online** but please be aware it will be several days before you receive your order <http://anfvic.myshopify.com>

5. Workplaces where protected industrial action CANNOT commence from 7am on Friday 29 April 2016

Alfred Health	Inglewood District Health	Nexus Primary Health	Tweddle Child and Maternal Health Service
Castlemaine District Community Health	Inspiro	Primary Care Connect

In relation to Austin Health, members are advised that the ANMF (Vic Branch) has made an application to the Fair Work Commission challenging the outcome of the Protected Industrial Action ballot at Austin Health. At this stage, members at Austin Health are not lawfully entitled to commence any Protected Industrial Action. We are awaiting details as to when the Fair Work Commission hearing is scheduled.

Members employed in a workplace that cannot lawfully commence protected industrial action can still participate in the overall EBA campaign by wearing a campaign T-shirt in public, liaising with the media and contacting their local state MP.

Further campaign updates will be issued on a regular basis and are available online at www.anmfvic.asn.au/eba2016
