Public sector EBA campaign update #16

WEDNESDAY 4 MAY 2016, 12.55PM

Day six of protected industrial action... decision time

Is your ward, unit or small workplace represented?

Public sector statewide members meeting

Thursday 5 May 2016

2pm (note new time)

Melbourne Convention & Exhibition Centre, Plenary 2 (new venue)

1 Convention Centre Place, South Wharf

Awash in red: ANMF members at Northern Health, Northern Day Procedure Centre and Otway Health.

Includes public sector nurses and midwives employed in the acute and aged care sector and stand-alone community health centres.

Make sure your workplace is represented. Critical information will be discussed at this meeting that affects your pay, conditions and the future of this EBA campaign.

This meeting will provide members working in the acute general public sector (not mental health) with a critical progress report on the current enterprise bargaining agreement negotiations. This meeting will discuss details of any offer from the Victorian Government and your employers and consider whether to implement further protected industrial action.

Register for this meeting, transport and childcare services

Statewide public sector members meeting

May 5, 2.00pm Melbourne Convention and Exhibition Centre

new time
and place

Plenary 2, 1 Convention Centre Place, South Wharf

Visit the ANMF EBA campaign page at <http://bit.ly/IKEBA2016> to:

- Register to attend the May 5 meeting
- View the ANMF bus schedule
- Book a spot on an ANMF bus
- Book childcare

We encourage members to register for the ANMF buses or catch public transport as venue parking is very expensive.

This meeting will provide nurses and midwives working in the acute general public sector (not mental health) with a progress report of the current enterprise bargaining agreement negotiations. Details of any offer from your employers will be discussed at this meeting.

Wear your red EBA 2016 T-shirt. Bring your membership card or for easy meeting registration download the ANMF Diary App at <http://bit.ly/anmfapp>
