HEALTHSCOPE STOP WORK AND COMMUNITY RALLY

Thursday 20 November 2025, rally from 2PM

Stop work between 12.45PM – 4.15PM

MELBOURNE RALLY

Meet outside Melbourne Private Hospital, Royal Parade

GEELONG RALLY

Corner of Townsend Rd and Apollo Place, Whittington

ANMF is holding a stop work rally for all Healthscope members in support of fair wages, allowances, working conditions and improved staffing levels. It will also send Healthscope a strong message that giving management 90 per cent of nurses' and midwives' salary packaging benefits must not be a condition of your enterprise agreement.

Members are encouraged to stop work for the last 2 hours and 15 minutes of your AM shift or the first 2 hours and 15 minutes of your PM shift.

Organise for your ward to leave safe night duty staffing levels for that period (your ANMF Job Reps will liaise with the NUM/MUM).

If your manager says you can't attend, contact ANMF straight away so we can assist.

Theatre members are encouraged to delay the start of the afternoon theatre list as agreed in your campus theatres.

Make sure your ward, unit or theatre is represented.

Not working? Members not rostered to work are urged to attend.

Bring your placards and signs. Wear your red t-shirt. Lunch and drinks provided.

Register and book a place on the bus from your workplace at **anmfvic.asn.au/stopwork** or scan the QR code.
