ST VINCENT'S PRIVATE HOSPITALS NURSES AND MIDWIVES EBA 2024

RESOLUTION

FRIDAY 7 FEBRUARY 2025

MEMBER'S RESOLUTION

That this meeting of members, having heard report back from ANMF officials on 7 February 2025 resolve to:

1. Reject the offer put forward by St Vincent's Private to resolve our Enterprise Agreement on the basis that it does not adequately address the staffing and workload concerns raised by members

2. Request that ANMF provide a counter proposal to St Vincent's Private by close of business Monday 10 February in consultation with ANMF Job Reps

3. Notify our employer that should they put this offer to ballot, that we would reject it overwhelmingly

4. Notify St Vincent's Private of our intention (should step 2 not resolve or our employer refuses to meet) to scale up our stage 2 protected industrial actions that were paused in good faith

5. Request ANMF report back to members in another all-members meeting after the above steps.
