Dear Ms Ratnam

The ANMF (Vic Branch) has a membership of over 83,000 nurses, midwives and carers. Our members are interested in us presenting and providing feedback on state political parties' health, nursing and midwifery, and mental health policies ahead of the Victorian election.

It is our intention to publish all available above 2018 election policies from the Victorian Liberal, National, Labor and Greens parties in our November edition of our monthly members' journal, *On the Record*.

For inclusion in our journal, we ask that you kindly provide the relevant Victorian Greens' policies as they relate to nursing, midwifery and carers to us by our production deadline of 5pm on Friday 9 November. We will publish your submission as supplied to us without edits in our digital journal.

The digital *On the Record* will arrive in our members' email boxes by 16 November, allowing the undecided voters' time to digest relevant information which may assist in their decision making of which party to vote for on polling day.

Yours sincerely
