PROTECTED INDUSTRIAL ACTION UPDATE

ANMF reminds members that protected industrial action continues. This includes:

- **all stage one protected industrial actions** (items 1–19 on the protected industrial action ballot order)
- **refusal to undertake food services** related to the delivery of meals, snacks or beverages (item 20)
- **a ban by any nurse/midwife in charge of a ward or unit from taking a patient load** (item 26)

ANMF members voted to pause bed closures, stop works and theatre stoppages from Saturday 25 January to Saturday 8 February as a sign of good will to support meaningful negotiations.

See Update #20 (anmfvic.asn.au/StVPupdate20) for the full list of protected industrial action.

Members at the meeting on Friday 7 February will consider St Vincent's Private management's offer and the next steps in your protected industrial action campaign.

ANMF Organisers and staff continue to visit members in the workplace to support your ongoing protected industrial action.
