COVID-19 information for aged care members

Friday 13 NOVEMBER 2020

## **CORONAVIRUS (COVID-19) Private residential aged care Single site employment update - Melbourne Metro and Mitchell Shire**

As foreshadowed in ANMF newsflash issued Monday 9 November, the ANMF can confirm the Commonwealth Government will cease funding single site employment from 30 November 2020.

This decision has been made on the current low risk of community transmission and Victoria having no new cases of COVID-19 in the past 14 days.

**Members should begin preparation for a return to working with more than one provider** if that is what you were doing before the restrictions were put in place, unless you choose to cease working with multiple employers. If you wish to cease working with multiple employers you should notify your primary employer and commence discussions about a permanent increase to your hours at your present workplace and then contact your other employer/s as soon as possible to give notice that you will not be returning.

### **Need support or advice**

Members who need support or advice transitioning back to multi-site employment can make contact the ANMF Member Assistance service via <https://anmfvic.asn.au/memberassistance>

### **Got an ANMF colleague not receiving our emails?**

Please forward this email on and let them know they can re-subscribe via <https://www.anmfvic.asn.au/resubscribe>

### **Encourage your colleagues to join ANMF**

Please invite your aged care nursing and personal care worker colleagues to join their union so they have access to support, advice and information about their employment. They can join via <https://www.anmfvic.asn.au/join>
