## **PRIMARY AND SECONDARY SCHOOL NURSING PROGRAMS DET**

### **GUIDANCE PROCEDURES FOR WORKING WITH COVID-19**

The ANMF has received calls from members in school nursing seeking urgent advice and assistance while working in the presence of COVID-19.

Over the weekend, ANMF (Vic Branch) has liaised with representatives of the Department of Education (DET) to develop COVID-19 Guidance Procedures for managing the safe delivery of school nursing services.

Notwithstanding the imminent temporary closure of schools, the ANMF (Vic Branch) is cognisant of the imperative to develop specific COVID-19 Guidance Procedures for managing the safe delivery of school nursing services and will be meeting with DET this week to progress the same.

In the interim, comprehensive information regarding managing the COVID-19 can be found at <http://www.anmfvic.asn.au/coronavirus>

The ANMF will update members as soon as the Guidance Procedures are developed.

In the interim queries can be directed to ANMF (Vic Branch) Professional Officer Belinda Clark or your ANMF Industrial Relations Organiser at [records@anmfvic.asn.au](mailto:records@anmfvic.asn.au)
