## EBA CAMPAIGN UPDATE 20

WEDNESDAY 16 FEBRUARY 2022

# Fair Work Commission approves 2020-2024 nurses and midwives EBA

The *Nurses and Midwives (Victorian Public Sector) (Single Interest Employers) Enterprise Agreement 2020-2024* was formally approved by Deputy President Dean in the Fair Work Commission today (16 February 2022). The new EBA becomes enforceable 7 days from today.

You can access the EBA document via [anmfvic.asn.au/2020EBA](https://anmfvic.asn.au/2020EBA)

It has been a long journey, with many frustrating delays along the way, however the improvements in the 2020-2024 EBA were administratively implemented by public sector employers in March 2020 so members should already be enjoying the benefits of the new EBA.

For a list of the 2020-2024 EBA highlights see EBA update #8 (16 April 2020) and our frequently asked questions (17 April 2020) via [anmfvic.asn.au/EBAimprovements](https://anmfvic.asn.au/EBAimprovements)

ANMF will now be seeking confirmation of the process for members who took parental leave between 1 November 2018 and 1 July 2020 to have that period recognised as service for the purposes of long service leave. Members will be notified by a specific newsflash on this matter once confirmation is received.

Members patience throughout this period is appreciated.
