Quick facts

RUSON (Registered Undergraduate Student of Nursing) Employment Model

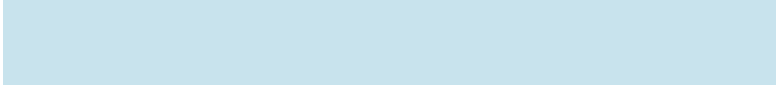

Australian
Nursing &
Midwifery
Federation
VICTORIAN BRANCH

What is a RUSON?

A person currently enrolled at a University to undertake undergraduate nursing study, who is registered with AHPRA as a student nurse, and who has successfully completed more than twelve months of the Bachelor of Nursing Degree.

- RUSON Employment Model will commence

- Supported by University partners, ANMF and Department of Health & Human services
- RUSONs must work under the delegation and supervision of a Registered nurse
- RUSONs cannot have sole allocation of patients
- RUSONs work within a Core Activity List provided
- Hours of work are a minimum of 7.5 hrs per week
- RUSONs can work shifts of 4 hours or more (morning and evening) and 10 hours (nights), Monday to Sunday
- RUSONs may be allocated to work with one to two RNs for the shift
- RUSONs can observe the RN/EN performing activities as a learning opportunity if workload permits
- RUSONs will have performance appraisals conducted in accordance with hospital policy.
- RUSONs are employees and hours worked do not contribute to clinical placement hours
- RUSONs are encouraged to complete clinical placement on another ward to their RUSON ward
- If a RUSON withdraws, defers or fails their undergraduate degree, their RUSON employment ceases.
- Evaluation of the project may occur.
- **RUSONs will be part of your team and are here to assist you!**
