PaNA membership

To comply with ANMF rules the membership year will follow the financial calendar.

All member fees are due on July 2018.

At anytime an ANMF nurse can join PANA by filling the membership form available at www.anmfvic.asn.au/pana and sending this back to the ANMF. We will then update our database.

Non-members can attend seminars for \$60 per event.

Other PaNA news

We are looking forward to seeing you all at our next PANA workshop on Saturday 21/4/18. Parking around the ANMF House is quite difficult; please see the 3 options as listed above and good luck!

A big thank you to our next workshop speakers – Janelle Penno, a Pharmacist at the Peter MacCallum Cancer Centre who will talk about medication management in PAC and Katrina Lewis from the Alfred Hospital who will educate us on Partnering with Consumers.

Reminder PANA are giving away **3** subsidies to members who are interested in attending conferences over the next 12 months. If this applies to you, please email k.hussey@healthscope.com.au for further info. A great opportunity indeed!

Our next PANA workshop will take place on Saturday 15th of September which will also include our AGM. We are on the lookout for new committee members so please come and chat with us on the workshop day.
